## **The Wilson Law Firm Makes Available Free Copies of DUI Arrest Survival Guide to Help Virginia Drivers Navigate Legal System**

*New book, with retail price of \$16.95, offered free for limited time exclusively to visitors at Wilson's newly unveiled Web site*

**Manassas, Virginia (Martindale-Hubbell Newswire/PRWeb) – April 22, 2009** – The Wilson Law Firm, a Manassas, Va.-based [http://tkevinwilsonlawyer.com/practice\\_areas/](http://tkevinwilsonlawyer.com/practice_areas/) [firm] that defends clients accused of DUI, reckless driving or other criminal offenses in Virginia, is making available free copies of a new book that educates individuals about the serious legal issues associated with being arrested for DUI/DWI.

“DUI/DWI Arrest Survival Guide: The Guilt Myth” is a newly released book co-authored by T. Kevin Wilson and Bob Battle, two Virginia attorneys, and published by Word Association Publishers. The title is available on Amazon.com for \$16.95, but Wilson is making available free copies of the book for a limited time exclusively to visitors at his new <http://tkevinwilsonlawyer.com/reports/duidwi-arrest-survival-guide-the-guilt-myth.cfm> [Web site].

“No one who has been arrested for DUI or DWI should hire an attorney or even talk to an attorney about their case until they have obtained a free copy of this book and read it carefully,” said <http://tkevinwilsonlawyer.com/bio.cfm?id=964> [Wilson], who has been a leading advocate for people charged with DUI and reckless driving offenses since 1995. “The book is written in very plain language and clearly lays out the legal process facing anyone arrested for DUI. It also explains the specific rights to which citizens are entitled and how to avoid the common mistakes many people make that can lead to an outcome that haunts them for years to come.”

Wilson has deep experience with Virginia's criminal and traffic laws in his practice as a criminal and traffic defense lawyer, but he also spent more than a decade sharing his extensive knowledge with local law enforcement. For 11 years, Wilson served as a legal instructor at the Prince William County Criminal Justice Academy, where he taught various criminal law classes to police officers in training. He is also trained as an evidentiary breath alcohol technician for the Intoxilyzer 5000, S-D2, S-D5 and 400 breath testing machines, and certified as an operator of the Intoxilyzer 8000 breath testing machine. In addition, all lawyers at The Wilson Law Firm have completed the National Highway Traffic Safety Administration (NHTSA) and International Association of Chiefs of Police (IACP) curriculum on Standardized Field Sobriety Testing.
